

Are you new to Family Operations at Essex County Council?

or have you been here for a while?

Or

Maybe you know an ECC Partner who will be working with Family Operations Teams in the future?

Why not come along and join us at the next Introduction to Family Operations session to find out more

Information Governance Training – AM session: 9.30am to 12:30pm
Introduction to Family Operations – PM session: 1:30pm to 4:30pm

The objective of the Family Operations Introduction Workshop is for you to understand your role within, or working alongside other teams within Family Operations and to provide you with an insight into the teams and partners you engage with.

The workshop will also guide you through the learning and development opportunities that can be accessed, as permanent members of staff and how this links in with your CPD (*Continued Professional Development*)
