New

Invisible bars

NEW workshop delivered by an expert from the Essex Children Affected by Parental Imprisonment (CAPI) service.

Covering the **effects of offender behaviour and imprisonment on children, young people and their families** and how best to **support** them.

In Essex in 2015, there were a record 4929 children who had a parent in prison (MOJ figures). Considering the significant younger prison population, it is likely a lot of these children will be **under five**
