

# Early years and childcare training

For Essex Ofsted registered childcare providers, children's centre staff and nursery classes in schools who provide Free Early Education Entitlement (FEEE) for 2, 3 or 4-year-olds

## Safeguarding briefing What would you do if...?

This year we have prepared a briefing that is more **interactive** with **topical scenarios** and **video** presentations.

This training is for professional development suitable for all Early Years and Childcare practitioners including Childminders.

If you are asked during an **Ofsted inspection**, would you be able to explain about **FGM, domestic abuse or children affected by parental imprisonment?**

Please be informed that this briefing does not cover information as delivered at Safeguarding Level 2 'face to face' training.
