

Essex Safeguarding Children Board - Business Plan 2020 - 2022

PRINCIPLES

- Principle 1.** Championing the interests and rights of children and young people.
- Principle 2.** Involving all partners in Essex in their statutory duty to co-operate on safeguarding matters.
- Principle 3.** Receiving independent challenge and scrutiny, to ensure feedback, accountability and learning.
- Principle 4.** Change is led by measurable improvements in the safeguarding systems and outcomes for children and their families.
- Principle 5.** Address challenges faced by disadvantaged or minority groups by tackling inequalities between children, connecting families to services, and ensuring that all Essex children grow up in a safe environment with access to good education, regardless of their background.
