

HEROIN, METHADONE, NITRAZINES AND MORE

**OUR VISION: 'TO BE THE LEADING HEALTH AND WELLBEING SERVICE IN
THE PROVISION OF MENTAL HEALTH AND COMMUNITY CARE'**

WHO IS THE SESSION FOR?

This face to face course is designed for those working in specialist drug and alcohol services within the voluntary and statutory sectors and other professionals dealing directly with people who use heroin and other opioids

SESSION OBJECTIVES

By the end of the session, participants will have:

- Increased their knowledge and understanding of opiates and their illicit use
- Considered how to respond to heroin users with more confidence including interventions that reduce harm
- Reflected on their roles and responsibilities when working with heroin and methadone
- Increased their knowledge of the role of substitute prescribing in the treatment of heroin addiction
